

KENTON PARK ESTATE

Shooting

Join Vineyard & Estate Manager, Ben Oliphant-Thompson on one of the many excellent Shooting locations here in the beautiful countryside of Devon

Enjoy a Day's Shooting starting out from the stunning location at Kenton Park Estate

Cost: £295 per person

We very much enjoy the Shooting Season here at Kenton Park Estate with several members of the Family being involved with local Corporate Shoots as far afield as Exmoor. Both brothers, Ben and Josh Oliphant-Thompson have a real passion for Outdoor life with Josh working on the Shoots up on the South Exmoor, whilst Ben will take you on Shoots in East Devon.

We invite guests to join us first of all for a hearty Breakfast in "The Motley Cru" Café Bar in the Winery Building that sits in the heart of our 10 acre Vineyard here at Kenton Park Wine Estate. Enjoy Breakfast overlooking the Vines and the rolling Hills of Mamhead Forest and beyond. It's a spectacular time of year to see all the Pheasants & Partridges roaming freely around our Estate & Vineyard which itself is surrounded by the stunning landscape of the Powderham Castle Estate. We will then take you to one of the many local Shoots taking place throughout the Season from the beginning of October through to the end of March. We put our enjoyment of shooting on hold as from the beginning of February as it's a very busy time for us in the Vineyard when we have to focus on the major task of Pruning the Vines.

We will provide you with a delicious Lunch served with our Fizz, a Sparkling Wine, called "The Motley Cru" which is our 2013 Sparkling Classic Cuvée to celebrate your "WINE in the WILD" experience with Kenton Park Estate. [Accommodation can be organised locally if required]
